**RE: RESOLUTION OF NOTICE OF VIOLATION
WALMART #5782
EPA ID# NMR000022806**

Dear Mr. Gutierrez:

On October 25, 2022, the New Mexico Environment Department ("NMED") conducted a hazardous waste Compliance Evaluation Inspection ("Inspection") at Walmart #5782., ("Walmart"), located at 150 N. Sonoma Ranch Blvd., Las Cruces, New Mexico. Based on that inspection and review of the information obtained, NMED issued a Notice of Violation ("NOV") dated December 14, 2022.

NMED has received your payment for past due generator fees on December 21, 2022. Based on that action, NMED has determined that the violations cited in the NOV have been adequately addressed and no further action relative to the NOV on the part of Walmart is required. Any action taken in response to this letter does not relieve your facility of its obligation to comply with any and all other applicable laws and regulations.
