**RE: RESOLUTION OF NOTICE OF VIOLATION
AKIN SERVICE
EPA ID# NMR000010389**

Dear Mr. Akin

On November 14, 2019, the New Mexico Environment Department ("NMED") conducted a hazardous waste Compliance Evaluation Inspection ("Inspection") at Akin Service ("Akin") located at 1489 S. Main Street, Albuquerque, New Mexico. Based on that inspection and review of information obtained, NMED issued a Notice of Violation ("NOV") dated December 6, 2019.

On May 8, 2023, NMED performed a follow-up inspection at Akin. Based on that follow-up inspection and review of the information obtained, NMED has determined that the violations cited in the NOV have been adequately addressed and no further action relative to the NOV on the part of Akin Service is required. Any action taken in response to this letter does not relieve your facility of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact Neil Dolly of my staff at 505-660-9488 or by email at neil.dolly@env.nm.gov

Sincerely,

Ricardo Maestas
Acting Chief
Hazardous Waste Bureau
